

INTRODUCTION

Tapnell Farm Park, Yarmouth

Tapnell Farm Park is a former dairy farm, and is now the perfect place for indoor and outdoor fun, connecting with and learning about animals.

Meet the friendly group of animals, and get “hands-on” with Daily Activity sessions!

Go wild on the many indoor and outdoor activities, which include

bouncers at once – but who can jump the highest?!

The Pedal Go Karts are one of the highlights of the Straw Bale Adventure Barn, where you will also find the longest indoor zip

“With its good mix of animals from goats to wallabies its a great place for little ones to experience animals up close. Not only that but with a huge indoor soft play not even a rainy day can ruin this place.”

IN SUMMARY

The ideal mix of farm themed fun with something for everyone.

Some students will be drawn to the cute animals, whilst others will head straight for the play areas.

Whichever order you do things, there’s lots of learning opportunities at Tapnell!

a huge soft play zone, jumping pillow, pedal go-karts and lots more.

Students can enjoy all the fun and excitement of the Play Barn, with a 3-storey soft play area, challenging climbing wall, giant chalkboards and chalkboard cows, and ride-on tractor area

Or, head outside and bounce away the day on the huge Jumping Pillow! This bright stripey bed of air is so big it can hold over 20 happy

wires on the Isle of Wight, and the Straw Bale Pyramid!

Residents include wallabies, meerkats, traditional farmyard animals such as sheep, pigs, donkeys and goats, alpacas and many more species.

New for 2017 is the “Moo-seum” - where you can learn everything there is to know about the humble cow, in a bright, fun, hands-on environment.

Education Destination are currently working with Tapnell Farm to scope and produce a range of high quality supporting educational resources ahead of the 2017 season.
