

Viewing point 1 –

What are the 4 'f' words about the villa?

A villa was a Farm it produces Food round it there were Field and Fence

From here I can see:

Viewing point 2

Part 1

This is a gladiator

A gladiator was a

Fighter

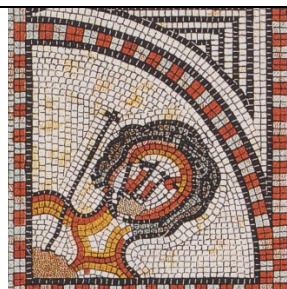

To help him kill people he carried a

Trident

When it was used on the farm it was called a pitch fork

Part 2

These are both mosaics of Bacchus

He was the god of wine and parties. This suggests ...

they liked wine, parties, entertaining, they were rich

### Viewing point 3

The unusual thing about the man in this picture is he has the head of  
**chicken/rooster/cockerel/hen**  
Another society that had drawings like this was the

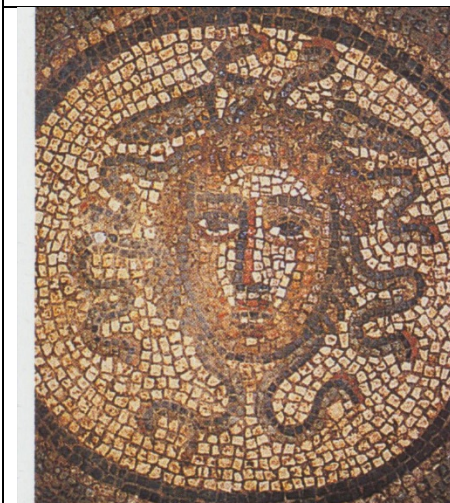

**Egyptians**

A mosaic is **a picture made of small coloured tiles on the floor**

### Viewing point 4:

This is the best preserved mosaic in the villa

In the centre is  
**Medusa**

Her story is that her hair was

**made of snakes**

Everyone who looked at her **turned to stone**

**Medusa** had been beautiful but ended up looking ugly because ...

**She was angry because she turned everyone she liked to stone and this made her ugly**
